INFO

LEAD VOCALS – Shure Beta58 MUST BE WIRELESS

BASS – DI

GUITAR – KEMPER DI

BAND – completely self contained. We bring all of our own mics, stands and IEM rack. We control our own IEM mix. A labeled 16ch XLR split will be provided to FOH. We require 16 inputs. FOH may add extra kick/overheads if desired.

*****PLEASE NO FOG OR HAZE SINGER IS ALLERGIC!*****

The band has a 16X16ft backdrop and side scrims if needed. We prefer a digital LCD image if available.

We do use an audio intro on a ipod with 3.5mm stereo output we will provide to FOH.

BAND WILL SELL MERCH - We require a reasonable (safe) space and table to sell to shirts, CD's, hats etc.
